APT NEWS

We would like to thank Amanda Drey and Sara Lang for organizing conference meals for our teachers. We would also like to thank all of those that brought in food to make this a successful event.

The end of the year brings us the changing of the guards for APT. We are looking for someone that would be interested in co-chairing APT as Mindy Cairney steps away. Please email apt@allsaints-crschool.org if you are interested and would like to know more about what it means to co-chair APT. It's a great way to get involved!

Summer learning loss puts students at a serious disadvantage. This is when skills and knowledge are lost over the summer months, causing students to move backwards instead of progressing.

By spending just **minutes a day** with *Summer Solutions*, students get the practice they need to keep moving forward. It was designed to help students return to school after summer break confident in the skills they've already learned and ready to master new ones.

**Your child worked hard all year. Make sure that progress sticks.
