

# All Saints Pre-"Scoop"

March 2018

There was a lot of love in the air this Valentine's Day ♥ The children enjoyed exchanging Valentine cards with their friends. Another highlight was sharing the gift of love with their families ~ it was "toe-tally" perfect!

We wrapped up the month learning about the Winter Olympic Games in South Korea. We cheered on the USA team as they competed in the various winter sports we discovered. We too had fun "going for the gold" competing in our own version of the Olympic Games, from ice cube hockey to bobsled rides!

**Thank you ♥** parents of children in the 4 year old and Enrichment classes who attended conferences the week of February 19-21. We thoroughly enjoyed sharing your child's progress with you.

Parents of children in our 3-year-old classes will be receiving a *Social Progress Report* in April. We hope you find the progress reports informative and beneficial on the social development your child has made this year.

**The lucky month of March will soon be here and that means the leprechauns are near!**

Besides keeping an eye out for leprechauns, we will also keep an eye on spending money wisely. There are many benefits of teaching children at a young age about money...

- \* They can learn the value of money and understand there are costs associated with things
- \* They can learn math skills
- \* They can learn to save money and set goals instead of impulse spending
- \* They can learn responsibility and manage money

Since money doesn't grow on trees, there is no time like the present to teach the essential life skill of being penny wise!!

From penny wise to weather wise. We will discover the science of weather and learn about forecasting the weather as meteorologists do. Will March come in like a lion, and go out like a lamb?

✿ Following Spring break, as we approach the Easter season, we will learn a special lesson about the power of God's love. The children will create a special cross as a symbol of His everlasting love. At Bible Blanket time, we will share the Easter Story and talk about Jesus' death and resurrection. This is an interesting topic in the eyes of a child, and although death may seem so complex, the children have a unique gift of understanding the beauty of New Life. Their hearts are full of everlasting love and life. How precious!

## **March Poem of the Month:**

### **Jesus Christ's Great Gift of Love**

Though Jesus died, let's not be sad  
(*Make a sad face*)  
On the cross for all to see  
(*Make cross with fingers*)  
The thunder clapped  
(*Clap hands & stomp feet*)  
The earth, it shook (*Shake body*)  
When Jesus died, our sins he took  
(*Cross arms on chest and slowly raise them upward*)  
Then Jesus rose on the third day  
(*Hold up three fingers*)  
Walked from the tomb in which he lay  
(*Put head on hands like sleeping*)  
The angels sang in heaven above  
(*Cup hands over mouth like shouting*)  
For Jesus Christ's great gift of love  
(*Put hands on heart*)

## **All Saints Kindergarten**

If you would like to know more about the Kindergarten program at All Saints School, please stop by the school office and visit with our principal, Ms. Boomgarden. Student Tuition Assistance (STO) is available for children entering Kindergarten. Check out the application online at [online.factsmgt.com/aid](http://online.factsmgt.com/aid). For further information or questions, please stop by the school office.

## **PRESCHOOL REGISTRATION 2018-2019**

### **Join the T.E.A.M. of Learners**

**Together EVERYONE  
Achieves More  
When learning and growing  
go hand in hand**

We are a great school because of families like you! If you have a friend who may be interested in our preschool program, please spread the word and invite them to visit our school. We will be happy to share our program with them. Thank you!

## **Save the Date**

Mark your calendars -

*Join us for a "MOM PROM"  
Mother's Day Celebration*

Moms- you are cordially invited to join your son or daughter for a MOM PROM! Put on your dancing shoes and come celebrate a Happy Mother's Day with us.

\* **3 year old T-Th class:**

Thurs., May 10<sup>th</sup> 10:45-11:30 AM
